Shattered Dreams Event:  
Community Donor & Sponsor  
THS Rebel Staff & Family

Tascosa RADD and Drama Clubs would like to thank you so very much for supporting the Shattered Dreams Project. Your help has meant so much and allowed us to make a lasting impact on our students and staff at Tascosa High School. We could not have reached our goal without your involvement. Many Rebel students have commented on how this event really has made a difference. Students are making better choices and life decisions because of our hard work and partnerships with you! We are very honored and proud to have worked with you on this event and look forward to future projects.

Thanking you from the bottom of our hearts,  
THS RADD & Drama Clubs
