Re: Commendation for Eleanor Ramirez and Stephanie Rangel

Dear Ms. Coulter:

It is not often in my past 34-years of practicing law that I have run into two individuals that need to be recognized for their outstanding performance for your Commission.

The first one is Eleanor Ramirez. She has been very helpful and cooperative in assisting me in obtaining a Permit for a Beer and Wine Permit, for Mima's Kitchen in Wimberley.

Since this was my first attempt, I made more than my share of mistakes in the Application and other paperwork. Eleanor has been so kind and helpful in guiding me through the process. So, I would like to tell you what a great person you have in Eleanor.

She has always been courteous, kind, and instructive for a "lack of knowledge" lawyer. I always call her on the phone and tell her that this is, "Patricio, El Abogado from Wimberley", and she just laughs and asks, "What mistake have you made today"? Then she guides me through the process. Because of her manner, I almost have a Permit to be issued.

Also, I have to mention Stephanie Rangel. I met her when we had the Applicant Interview. She was polite, kind, and informative. You are blessed to have these two wonderful ladies in your San Marcos Office.

Thank you for having Eleanor and Stephanie in the San Marcos Office, they are great!

Sincerely,

Patrick G. Rehmet
