Dear Mr. Venner, *Mr. Venner,*

The San Antonio Human Trafficking Summit was a success! I cannot thank you enough for all of your hard work and guidance in preparation for the event. It is because of concerned and engaged citizens like yourself that we have made such great strides in the fight against human trafficking and the rescue and aid of its victims.

It was important to me that we discuss the issues related to human trafficking through various perspectives in order to learn more about the problem. Since the summit, I have received feedback from numerous participants and organizations praising the event as a positive step towards combating this crime.

Again, I sincerely thank you for your involvement in the success of the San Antonio Human Trafficking Summit. I believe it provided us with a strong platform from which we can continue to dialogue and raise awareness of this problem. As we prepare for the 82nd Legislative Session, I will continue to seek your insight for ways we can work together to combat human trafficking in Texas.

Warmest regards,

*Leticia Van de Putte*
