Dear Chief Moreno,

As the school year comes to a close, I want to let you know the Travis County Underage Drinking Prevention Program appreciates the support and assistance of the Texas Alcoholic Beverage Commission in our efforts to address underage drinking. I am writing today to commend Agent Greg Lewis and Agent Mark Gohlke for their support of our education efforts in Hays and Travis County by assisting us in conducting presentations.

Our program's resources are often spread thin due to the tri-county demand for school presentations. With the assistance of agents Lewis and Gohlke we were able to reach more schools in our attempt to save the lives of teenagers by discussing the legal and social consequences of underage drinking. We value the partnership with your agency in our mutual efforts.

Yours truly,

Gloria Souhami
Program Director
