COVID-19 RENEWAL PERIOD EXCEPTION FORM

Businesses that meet the following conditions may file a renewal application more than 30 days past the expiration of their license/permit without a late fee:

- The statutory grace period for your license/permit ended on or after March 13, 2020 (*i.e.*, your license/permit expired on or after February 11, 2020).
- The failure to timely renew must have been reasonable under the circumstances (*e.g.*, occurred as a direct result of the current coronavirus pandemic).
- You have not already filed an original license/permit application or a renewal application to replace your expired license/permit.

If you meet the above eligibility requirements, fill out the information below.

Your permit number (*e.g.*, MB 100100100): _____

Expiration date of your permit: _____

Reason you failed to timely renew your permit:

Submitting this form:

1. Attach this completed exception form to a completed renewal application form found at tabc.texas.gov/forms/licensing_renewal.asp.
2. Mail both forms along with all appropriate fees and surcharges to:

TABC: Licensing Division
