For audit purposes, it shall be the responsibility of the food and beverage certificate holder to provide financial and accounting records related to food, alcohol, and other major sales categories of all business entities sharing the location. For audit purposes, if such information that is provided is deemed insufficient to determine if a license or permit holder qualifies for issuance of a food and beverage certificate at the location, the computation and determination of the percentage of alcohol sales or service fees to total gross receipts at the licensed location may be based upon any available records of information.

- (b) For an application for renewal of an existing license or permit, the commission will refund the license or permit fee if, prior to expiration, the applicant withdraws the application or the application is denied. If the application is withdrawn or denied after the license or permit expiration date, the applicant's fee will not be refunded.
- (c) No refunds will be issued for temporary event authorizations or late fees pursuant to §33.73(l) of this chapter.
- (d) All refunds of license and permit fees will be remitted to the person or entity named in the license or permit application or renewal application, regardless of who paid the fee.

Note: Original Rule Effective: September 1, 2021

§33.26 Secondary Licenses, Permits, and Certificates

- (a) This section relates to Alcoholic Beverage Code §11.09 and §61.03.
- (b) Secondary licenses, permits, and certificates that require the holder to first obtain another license or permit expire upon expiration or cancellation of the primary license or permit.
- (c) A temporary license or permit expires on the date indicated on the license or permit or on the same date as the primary license or permit, whichever occurs earlier.
- (d) Fees for a secondary license, permit, or certificate will not be prorated or refunded.

Note: Original Rule Effective: September 1, 2021

- (b) The annual fee to register a nonresident brewer's agent is \$2,500.

Note: Amended Rule Effective: September 1, 2021

SUBCHAPTER C. BONDS

§33.40 General Provisions

- (a) This rule applies to conduct surety bonds, performance bonds, excise tax bonds, and bonds for alternating brewery proprietorships and contract brewing arrangements ("bonds").
- (b) Submission of Bond with Application.
 - (1) When required by the Alcoholic Beverage Code to submit a bond, an applicant for an original or renewal license or permit shall submit with its license or permit application the required bond or alternative form of surety, as authorized under this section.
 - (2) Failure to submit the necessary bond or alternative form of surety in proper form will result in denial of the application.
- (c) A bond required under the Alcoholic Beverage Code must be executed only on forms prescribed by the TABC with the licensee or permittee as principal, a qualified surety company doing business in this state as surety, and the state as payee.

- (d) All bonds shall be payable in Travis County.
- (e) A license or permit holder shall obtain, submit, and maintain a separate bond for each license or permit it holds.
- (f) A licensee or permittee required to furnish a bond under this section may furnish, in lieu of all or part of the amount of the bond required, one or more certificates of deposit or savings accounts assigned to the state or one or more letters of credit. If an assignment of a certificate of deposit, savings account, or letter of credit is furnished in lieu of a bond, the executive director or their designee shall keep it in the agency's possession. Interest earned on a certificate of deposit or savings account is not subject to the assignment and remains the property of the owner of the certificate of deposit or savings account.
- (g) A certificate of deposit or savings account furnished in lieu of a bond by a licensee or permittee must be assigned to the state, in a manner approved by the executive director or their designee, to secure payment to the state.
- (h) A letter of credit furnished in lieu of a bond by a licensee or permittee must be on a form approved by the executive director or their designee and contain any conditions required by the executive director to secure payment to the state.
- (i) Qualifications of Surety Company.
 - (1) A surety company, to qualify to provide bonds under this subchapter, must be licensed by this state and in "good standing" with the State Board of Insurance, Comptroller of Public Accounts, Secretary of State, and any other regulatory agencies with jurisdiction over its affairs.
 - (2) In addition to the requirements of Alcoholic Beverage Code §§11.11 and 61.13, a bank or credit union must have a physical facility in this state to accept cash deposits, make cash advances to customers and carry out day-to-day operations within this state.
- (j) Each bond required by this subchapter must cover the permit or license period and must be maintained until it is released or forfeited or, if it is a bond required by §33.45(b), until it is terminated by the surety pursuant to Alcoholic Beverage Code §11.71.
- (k) Release of Surety.
 - (1) Upon expiration of the license or permit, its voluntary cancellation, or upon the applicant's subsequent approval for exemption from the surety requirement, the licensee or permittee may request the release and return of the security supporting their license or permit.
 - (2) The release of the surety will not be unreasonably withheld; however, the surety company, bank, or credit union is not released from its obligation until it receives written notice of the release from the commission.
 - (3) The executive director may not release a surety bond until the surety company has paid and discharged in full all of its liabilities on the bond to the state as of the date of cancellation.
- (l) General Provisions regarding Bond Forfeiture.
 - (1) When a permit or license is revoked, the commission shall notify the permittee or licensee in writing of its intent to seek forfeiture of the bond.
 - (2) Upon entry of a final order against the permittee or licensee or upon waiver of hearing by the permittee or licensee, the commission shall notify the surety company to remit to the state the full amount of the surety required within ten days after notification.
- (m) For purposes of this subchapter, an order issued pursuant to an agreement of the parties in which the permittee or licensee waives its right to a hearing is a final adjudication of the violation that is the subject of the agreement and order.

(n) Violations of the Code or commission rules by the legal entity in the name of which a bond or other surety is held or by any of its officers, directors, or partners are counted toward and may result in cancellation, forfeiture, or exemption from the requirement to post a bond or other surety.

(o) In a joint venture, regardless of the type of legal entity formed, prior violations by any participant in the joint venture will disqualify the joint venture from exemption from the requirement to post a bond or other surety.

(p) Neither the bondholder nor any officer, director, or partner of a bondholding entity may be granted a new license or permit until a forfeited bond or other surety is paid.

(q) The commission may seek forfeiture of a bond due to cancellation of the license or permit for any reason, including cancellation for multiple violations of Alcoholic Beverage Code §§102.31 and 102.32.

Note: Original Rule Effective: December 31, 2020

§33.41 Conduct Surety Bonds

(a) This section applies only to conduct surety bonds required by Alcoholic Beverage Code §§11.11 and 61.13.

(b) A conduct surety bond, assignment of certificate of deposit, savings account, or letter of credit must cover the minimum time required for the applicant to qualify for exemption from the surety requirement imposed by Alcoholic Beverage Code §§11.11 and 61.13.

(c) A permittee or licensee who is required to file a conduct surety bond may furnish instead of all or part of the required bond amount:

(1) one or more certificates of deposit assigned to the state issued by a federally insured bank or by a credit union authorized to do business in this state; or

(2) one or more letters of credit issued by a federally insured bank or credit union authorized to do business in this state.

(d) Pursuant to Alcoholic Beverage Code §11.11(e), a license or permit holder is exempt from the requirement to post a conduct surety bond if, at the time the commission receives the second renewal application for the license or permit, the holder of the license or permit:

(1) has not had any license or permit revoked within the preceding five years;

(2) is not the subject of a pending revocation or cancellation proceeding; and

(3) has continuously operated on the licensed or permitted premises for at least three years before the date the holder applied for renewal of the license or permit.

(e) Forfeiture of a Conduct Surety Bond.

(1) When a license or permit is cancelled, or upon a final adjudication that the licensee or permittee has committed three violations of the Alcoholic Beverage Code prior to the exemption date, the commission shall notify the licensee or permittee, in writing, of its intent to seek forfeiture of the bond or alternative form of surety.

(2) The licensee or permittee may, within 30 days of the notice specified in paragraph (1) of this subsection, request a hearing on the question of whether the criteria established by Alcoholic Beverage Code §§11.11 and 61.13 and by this section for forfeiture of the bond or alternative form of surety have been satisfied. The hearing shall be conducted in accordance with Chapter 2001 of the Government Code.

(3) Evidence that an agent or servant of the licensee or permittee has been adjudicated guilty of, or granted deferred adjudication for, an offense under the Alcoholic Beverage Code,

because of conduct occurring during the performance of their duties for the licensee or permittee, shall constitute evidence of an adjudication that the licensee or permittee has violated a provision of the Alcoholic Beverage Code. This paragraph only applies to violations which were not attributable to the licensee or permittee because of the operations of Alcoholic Beverage Code §106.14.

(4) Upon entry of final order against the licensee or permittee in the hearing described in paragraph (2) of this subsection, or upon waiver of said hearing by the licensee or permittee, the commission shall notify the surety company, bank, or credit union to remit to the state the amount of surety required within ten days after notification.

(5) The commission may institute action to recover the amount of the surety in its own name, for the benefit of the state, as set forth in Alcoholic Beverage Code §11.70.

(6) Counting Violations for Conduct Surety Bond Forfeiture Purposes.

(A) Except as provided by subsection (B) of this section, the commission may seek forfeiture of a conduct surety bond upon the third violation during the effective period of the bond, including warnings, of any statute or rule under the commission's jurisdiction.

(B) For violations of Alcoholic Beverage Code §§102.31 and 102.32, the first six incidents may not be counted as violations supporting bond forfeiture. The seventh and subsequent violations will be counted as violations supporting bond forfeiture.

(C) Violations in which the license or permit holder has qualified for the legal protections of Alcoholic Beverage Code §106.14 (related to Actions of Employee) will be considered for forfeiture purposes according to §§11.11(b)(2) and 61.13(b)(2) of the Code.

(7) The commission will not seek forfeiture of a surety bond due solely to violations of Alcoholic Beverage Code §§102.31 and 102.32, but may seek forfeiture based upon violations of §§102.31 and/or 102.32 in combination with at least one other violation of the Code or commission rules.

Note: Original Rule Effective: December 31, 2020

§33.42 Performance Bonds

(a) This section applies to performance bonds, which are the bonds required by Alcoholic Beverage Code §11.61(b-1) and §61.71(l).

(b) The first performance bond filed by a licensee or permittee with the commission as prescribed under §11.61(b-1) and §61.71(l) of the Alcoholic Beverage Code shall be in the amount of \$2,000. In the event the first bond is forfeited to the commission, a licensee or permittee must file a second bond with the commission as prescribed under those provisions in the amount of \$4,000 before a license or permit may be reinstated. In the event the second bond is forfeited to the commission, a licensee or permittee must file a third bond issued under those provisions in the amount of \$6,000 before a license or permit may be reinstated. If a permit or license that is secured by a performance bond is cancelled, the performance bond in place at the time of cancellation is forfeited to the commission.

(c) A permittee or licensee who is required to file a performance bond may furnish instead of all or part of the required bond amount:

(1) one or more certificates of deposit assigned to the state issued by a federally insured bank or by a credit union authorized to do business in this state; or

(2) one or more letters of credit issued by a federally insured bank or credit union authorized to do business in this state.

(d) Forfeiture of Performance Bonds.

(1) Except as provided by paragraph (2) of this subsection, the commission may seek forfeiture of a performance bond upon violation of any statute or rule under the commission's jurisdiction.

(2) For violations of Alcoholic Beverage Code §§102.31 and 102.32, the first six incidents may not be counted as violations supporting bond forfeiture. The seventh and subsequent violations will be counted as violations supporting bond forfeiture.

Note: Original Rule Effective: December 31, 2020

§33.43 When Excise Tax Bonds Are Necessary

(a) This section is promulgated pursuant to Alcoholic Beverage Code §5.31, relating to General Powers and Duties, §204.01(g), relating to Bond Required, and §204.07, relating to Waiver of Bond Requirement.

(b) This section applies only to bonds required by §63.03 and Chapter 204 of the Alcoholic Beverage Code.

(c) The commission determines that it is no longer necessary or appropriate to require that every applicant who is subject to Chapter 204 of the Alcoholic Beverage Code furnish with its application the bond that is otherwise required by that chapter.

(d) The commission determines that it is necessary and appropriate to require that a bond under Chapter 204 of the Alcoholic Beverage Code be furnished upon renewal of its license or permit by a licensee or permittee who:

(1) is subject to Chapter 204 of the Alcoholic Beverage Code; and

(2) has not made, on or before the due date, a required payment of \$500 or more for a tax or fee imposed by the Alcoholic Beverage Code.

(e) It is the commission's judgment, under Alcoholic Beverage Code §63.03, that the appropriate amount of bond that is required from the holder of a nonresident brewer's license to protect the revenue of the state from the tax due on malt beverages over any six-week period is zero. Therefore, no bond is required of the holder of a nonresident brewer's license, because the revenue of the state is protected for these reasons:

(1) a holder of a nonresident brewer's license is not liable for payment of the malt beverage tax pursuant to Alcoholic Beverage Code §203.02; and

(2) even when the nonresident brewer transports malt beverages into the state in a motor vehicle owned or leased by him, the malt beverage must be delivered to the holder of a distributor's license, who:

(A) is liable for payment of the malt beverage tax pursuant to Alcoholic Beverage Code §203.02; and

(B) is subject to the requirement of a bond to protect the revenue of the state when necessary and appropriate as determined in §33.44 of this title.

Note: Amended Rule Effective: September 1, 2021

§33.44 Excise Tax Bonds

(a) Excise Tax Bond Required.

(1) Each holder of a general distributor's license, local distributor's permit, or branch distributor's license, and each holder of a brewer's license acting under the authority of Texas

Alcoholic Beverage Code §62.122, who has not made, on or before the due date, a required payment of \$500 or more for a tax or fee imposed by the Alcoholic Beverage Code shall furnish a bond to ensure the payment of the tax on malt beverage imposed by the Texas Alcoholic Beverage Code, §203.01.

(2) Each holder of a winery permit who has not made, on or before the due date, a required payment of \$500 or more for a tax or fee imposed by the Alcoholic Beverage Code shall furnish a bond to ensure the payment of the tax on vinous liquor imposed by Texas Alcoholic Beverage Code §201.04.

(b) Each bond required under this section shall be set by the executive director at an amount determined pursuant to §41.42 of this title that will protect the state against the anticipated tax liability of the principal for any six-week period based on previous average alcoholic beverage sales or estimates of the future average volume of sales.

(c) The requirement under this section to furnish a bond shall be imposed at the next renewal of the license or permit after the failure to make a timely payment of the amount specified in subsection (a) of this section.

(d) A finding of deficiency as a result of an audit does not constitute a failure to pay a tax when due, if the deficiency and any applicable penalty are paid within 10 days of the date of demand for payment by the commission.

(e) A licensee or permittee required to furnish a bond under subsection (a) of this section is again entitled to exemption from the surety requirement if the licensee or permittee:

(1) pays all delinquent taxes and fees and any applicable penalties; and

(2) pays all taxes and fees required by the Texas Alcoholic Beverage Code on or before the due date for 18 consecutive months after the month in which the delinquent taxes and fees and penalties are paid.

(f) If a licensee or permittee fails to pay a tax or fee imposed by the Texas Alcoholic Beverage Code on or before the due date and the licensee or permittee holds multiple licenses or permits, the requirements for a bond shall be imposed under subsection (a) of this section only on the license or permit covering the licensed or permitted premises for which the tax or fee and any applicable penalty were not timely paid.

(g) If another license or permit is required, incidental to the operation of a business for which a basic license or permit is procured, the executive director may accept one bond to support all of the licenses and permits. The executive director shall determine the amount of the bond.

(h) All bonds or other forms of security under this section that are in place on the effective date of this section, as amended, shall remain in place for the length of time specified on the bond or other form of security when it was furnished to the commission.

Note: Amended Rule Effective: September 1, 2021

§33.45 Bonds for Alternating Brewery Proprietorships and Contract Brewing Arrangements

(a) This section relates to Alcoholic Beverage Code §§11.71, 12.01(a)(6), 13.04(c), 61.41(d) and 62.01(a)(5).

(b) A bond in the amount of \$30,000 must be posted with the commission by each applicant for or holder of a brewer's license or nonresident brewer's license that:

(1) is a party to an alternating brewery proprietorship or a contract brewing arrangement; and

- (2) does not own a fee interest in a brewing facility, whether domestic or foreign.
- (c) A licensee or permittee who was not subject to the bond requirements of subsection (b) or (c) of this section at the time of application must post the required bond at the time it becomes subject to those requirements.
- (d) The licensee or permittee may, within 30 days of the notice specified in §33.40(l)(1) of this title request a hearing on the question of whether the criteria established by this section for forfeiture of a bond have been satisfied. The hearing shall be conducted in accordance with Chapter 2001 of the Government Code.
- (e) Release of Surety. A license or permit holder may request release and return of the surety required by subsection (b) or (c) of this section upon:
 - (1) expiration of the license or permit;
 - (2) voluntary cancellation of the license or permit;
 - (3) verification that the applicant or license or permit holder has acquired fee interest in a brewing or manufacturing facility (as appropriate in reference to subsections (b) and (c) of this section); or
 - (4) verification that the license or permit holder no longer is a party to an alternating brewery proprietorship or contract brewing arrangement.
- (f) The commission may seek forfeiture of a bond under this section for a violation of any one or more of the terms of the bond.

SUBCHAPTER D. APPLICATION REVIEW AND PROTESTS

§33.50 Purpose and Authority

This subchapter implements and is authorized by Alcoholic Beverage Code §§ 11.43 through 11.432.

Note: Original Rule Effective: December 31, 2020

§33.51 Definitions

The following terms have the following meanings when used in this subchapter:

- (1) “Commission” – the Texas Alcoholic Beverage Commission as an agency of the State of Texas, and not to the Commissioners, either individually or as a body.
- (2) “Complaint” – a written expression of concern regarding a person or business that holds or has applied for a TABC license or permit, or a person or business that the complainant believes is violating the Alcoholic Beverage Code or laws related to alcoholic beverages. Complaints are handled according to §31.11 (relating to Resolution and Information on Complaints). A complaint is not a request for a contested case hearing, does not itself imitate a legal proceeding, and does not afford any legal rights or party status to the complainant. Any person can file a complaint at any time.
- (3) “Protest” – a written request for an administrative contested case hearing in which the protestant will participate as a party and present evidence to a trier of fact to prove that a license or permit should not be issued or renewed as proposed. A protest will only be granted if filed by a person with legal standing and supported by reasonable grounds.
- (4) “Reasonable grounds” – allegations or concerns regarding a matter within the

commission's jurisdiction that are supported by credible evidence or information, and includes the circumstances described in Alcoholic Beverage Code §§11.46 through 11.481, 61.42 through 61.46, and 61.50.

(5) "Received" – An application for a new license or permit or a renewal is considered received on the date the commission updates its public database to show the application as pending. An application is designated as pending only when the application is complete, meaning that the commission has received all required information and fees.

(6) "SOAH" – the State Office of Administrative Hearings.

(7) "Uncontested" – An application is uncontested if no valid protests have been timely filed or if all valid protests have been withdrawn.

Note: Original Rule Effective: December 31, 2020

§33.53 Applicable Rules

Unless otherwise indicated, an application for a license or permit is subject to the rules in effect as of the date the application is received.

Note: Original Rule Effective: December 31, 2020

§33.54 Delegation of Application Approvals

The Commission delegates to the executive director or their designee the authority to approve an uncontested license or permit application pursuant to Alcoholic Beverage Code §11.43(d).

Note: Original Rule Effective: December 31, 2020

§33.55 Conditional Approval

(a) Unless the exception in subsection (b) of this section applies, the commission shall not issue a new license or permit until 15 days have elapsed since the commission updated its public database to show the application as pending.

(b) If the executive director determines that there is a compelling reason to issue a license or permit before 15 days have elapsed since the commission updated its public database to show the application as pending, the executive director may grant conditional approval of the license or permit. If no valid protests are filed at the end of the 15-day period, the license or permit becomes approved by operation of law. If one or more valid protests are filed before the time period for filing protests has expired, the conditional approval is revoked and the executive director shall provide notice of the revocation to the applicant.

(c) Approval of an application for a license or permit is conditional until the payment of application fees has cleared. If a financial instrument is returned for insufficient funds, or there is any other failure of fee payment, and the applicant fails to remit required fees within ten (10) business days of the agency's request for payment, the application may be considered withdrawn by the applicant pursuant to section 33.57 of this title. If the application is considered withdrawn, conditional approval is revoked, and the executive director shall provide notice of the revocation to the applicant. Revocation of conditional approval for a renewal application results in expiration of the license or permit and the applicant must re-apply and pay the fees for an original license or permit application.

(d) An applicant who chooses to proceed with operations while subject to a conditional

approval does so at its own risk of loss in the event that the conditional approval is revoked and it fails to obtain or maintain the necessary license or permit. If an applicant fails to obtain the license or permit following conditional approval, the commission shall refund fees paid pursuant to section 33.25 of this title.

Note: Amended Rule Effective: February 13, 2023

§33.56 Alternative Dispute Resolution

- (a) At any time prior to or during a contested case hearing, any party in a disciplinary matter may request referral to alternative dispute resolution (ADR).
- (b) Parties may agree to mediate a dispute through a mediator employed by the State Office of Administrative Hearings or through a private mediator. Mediation through SOAH is subject to SOAH's rules for mediation (Title 1 Texas Administrative Code); the Administrative Procedure Act (Tex. Gov't Code Ch. 2001); laws relating to SOAH administrative procedure in Tex. Gov't Code Ch. 2003; and Tex. Gov't Code Ch. 2009, relating to ADR for use by governmental bodies.
- (c) If the parties elect to use a private mediator:
 - (1) the participants must unanimously agree to use a private mediator;
 - (2) the participants must unanimously agree to the selection of the person to serve as the mediator; and
 - (3) the mediator must agree to be subject to all time limits imposed by the executive director, the administrative law judge, statute, or regulation.
- (d) If a private mediator is used, the costs for the services of the mediator shall be apportioned equally among the participants, unless otherwise agreed upon in writing by the participants, and shall be paid directly to the mediator. In no event, however, shall any such costs be apportioned to a governmental subdivision or entity.
- (e) All mediators in commission mediation proceedings shall subscribe to the ethical guidelines for mediators adopted by the ADR Section of the State Bar of Texas.

Note: Original Rule Effective: December 31, 2020

§33.57 Application Withdrawn

- (a) An applicant may withdraw its application at any time prior to issuance or renewal of the license or permit that is the subject of the application or the denial of the application.
- (b) If an applicant fails to respond to requests from the TABC for additional information or for remittance of a license or permit fee within ten (10) business days of the request, the TABC may consider the application withdrawn by the applicant.
- (c) An application that is withdrawn is not considered denied and may be refiled at any time. Withdrawal of an application, whether affirmatively by the applicant or due to the applicant's failure to respond to requests for information or fees, does not trigger the right to appeal or any other due process rights.

Note: Original Rule Effective: December 31, 2020

§33.58 Management Review

- (a) At any time, the executive director or person to whom he or she delegates authority may place a management review on a license or permit, address, or person so that upon receipt of an

application, an issue of concern within the agency's jurisdiction is addressed.

- (b) An application remains pending until the management review is resolved and removed.
- (c) A license or permit holder may continue to operate under its current license or permit while a management review related to its renewal application is pending.
- (d) A license or permit holder may not surrender its existing license or permit while it is subject to a management review but may withdraw its renewal application.

Note: Original Rule Effective: December 31, 2020

§33.59 Denial of Application after Referral of Protest for Hearing

(a) In the event that a valid protest results in referral for hearing under Alcoholic Beverage Code §11.43(f) and that the executive director subsequently identifies at least one legal ground to deny the application, the executive director shall request that the application be remanded to the commission from the State Office of Administrative Hearings and upon remand, shall recommend to the commission that the application be denied, as required by Alcoholic Beverage Code §11.43(g).

(b) Concurrent with the request for remand from SOAH, the executive director shall provide notice to each protestant that:

- (1) the executive director will be recommending denial of the application to the commission;
- (2) the case will be remanded to TABC for processing under §11.43(g), *et seq*;
- (3) if the applicant does not request a hearing on the denial recommendation, the application will be sent to the commission for a vote on denial; and
- (4) if the applicant requests a hearing on the denial recommendation or the commission declines to deny the permit, the application shall be referred to SOAH for a hearing in which the protestant(s) are parties.

(c) If the executive director recommends to the commission that an application be denied and a valid protest has been referred for hearing and not withdrawn, the commission may only deny the application or refer it back to SOAH for a hearing on the previously referred protest(s).

Note: Original Rule Effective: December 31, 2020

§33.60 Request for Hearing on Recommendation of Application Denial

(a) If the executive director recommends denial of an application for a license or permit, notice of the recommendation shall be transmitted to the applicant by the commission.

(b) An applicant may request an administrative hearing on the executive director's denial recommendation by filing a written request for hearing with the commission within thirty (30) days of the date on the notice of the denial recommendation.

(c) A request for hearing under this section must be filed by mail to Texas Alcoholic Beverage Commission, ATTN: Clerk, P.O. Box 13127, Austin, Texas, 78711 or by electronic mail to clerk@tabc.texas.gov.

(d) If the applicant files a timely request for hearing, the executive director will refer the application to SOAH for a hearing pursuant to Alcoholic Beverage Code §11.43(h).

(e) If the applicant does not file a timely request for hearing, the recommendation for denial of the application will be set for consideration by the commission at the next available regular commission meeting.

If the commission votes to approve a contested application by consent, the executive director shall issue the license or permit.

(c) The executive director shall set a proposal for decision issued by an administrative law judge under Alcoholic Beverage Code §11.43(h) for individual consideration on the commission's regular agenda at the request of:

- (1) the presiding officer of the commission; or
- (2) at least two commission members.

rebuttable presumption that the license or permit holder has indirectly encouraged a violation of the law within the meaning of Code §106.14(a)(3). The rebuttable presumption is created regardless of whether the employee performing the action described in paragraph (1) or (2) of this subsection on a second or subsequent occasion is the same person.

 - (C) an intoxicated person.

(d) For purposes of satisfying the condition precedent set forth in subsection (c) of this section, proof shall be demonstrated by:

- (1) producing final orders issued by the commission or a court of competent jurisdiction finding that the license or permit holder violated Code §§2.02, 11.61(b)(14), 32.17(a)(1), 61.71(a)(6) or 106.13(a) on two past occasions; and
- (2) establishing a prima facie case that an employee of the license or permit holder violated Code §§2.02, 11.61(b)(14), 32.17(a)(1), 61.71(a)(6) or 106.13(a) on a third or subsequent occasion.

(e) For purposes of subsection (d) of this section, all incidents offered to satisfy the condition precedent set forth in subsection (c) of this section shall be for the same type of offense and shall have occurred within a 12-month period as calculated from the dates the incidents occurred.

(f) There is a rebuttable presumption that a license or permit holder has indirectly encouraged a violation of the law within the meaning of Code §106.14(a)(3) if the commission presents sufficient proof that a license or permit holder fails to meet any of the standards set forth in paragraphs (1) - (5) of this subsection.

- (1) The license or permit holder requires each employee to present a seller server certificate within 30 days of his initial employment date.
- (2) The license or permit holder requires each employee to maintain a currently valid seller server certificate.
- (3) The license or permit holder adopts written policies and procedures that are designed to prevent, and that affirm a strong commitment by the license or permit holder to prohibit:

- (A) the sale, service, dispensation or delivery of an alcoholic beverage to:
 - (i) a person who is not a member of a private club on the club premises;
 - (ii) a minor; or

- (5) The license or permit holder maintains records for at least one year after the date employment was terminated that show that each employee read and understood the license or permit holder's current policies and procedures described in paragraph (3) of this subsection.
- (g) For purposes of this section, "employee" includes all persons paid by a license or permit holder to sell, serve, dispense, or deliver alcoholic beverages or to immediately manage, direct, supervise or control the sale or service of alcoholic beverages.
- (h) At a hearing in which the license or permit holder asserts the affirmative defense established in Code §106.14(a), the commission may present evidence to establish a rebuttable presumption under this section. If the evidence is sufficient to establish a prima facie case, the burden of persuasion in the proceeding shifts to the license or permit holder to show that it has not indirectly encouraged a violation of the law within the meaning of Code §106.14(a)(3).
- (i) The rebuttable presumptions authorized in this section are not the exclusive means by which the commission may establish that a license or permit holder has indirectly encouraged a violation of the law within the meaning of Code §106.14(a)(3).
- (j) This section applies to contested cases under the Administrative Procedure Act and to complaints or violations referred to the legal division of the commission for resolution.

- (c) A licensee or permittee who wants a hearing prior to the issuance of an order authorized by this section must request the hearing within 10 days of receipt of notice from the commission.
- (d) This section applies to contested cases under the Administrative Procedure Act and to complaints or violations referred to the legal division of the commission for resolution.

(1) at the time the delivery occurred, held a valid certification from a delivery driver training program; or

(2) completed the delivery using an alcohol delivery compliance software application that meets the requirements established under Code §57.09.

(d) The holder of a consumer delivery permit may establish a rebuttable presumption that it has not directly or indirectly encouraged the delivery driver to violate Chapter 57 of the Code by providing proof that:

(1) each of the permit holder's delivery drivers engaged by the permit holder during the twenty-four months prior to the violation have actually attended a delivery driver training program and maintained alcohol delivery driver training certification for the entire duration of their engagement by the permit holder as a delivery driver;

(2) prior to the violation, the permit holder adopted written policies and procedures designed to prevent, and that affirm a strong commitment by the permit holder to prohibit violations of Chapter 57 of the Alcoholic Beverage Code; and

(3) all delivery drivers have read and understood such policies and procedures.

(e) The consumer delivery permit holder is not entitled to the rebuttable presumption in subsection (d) of this section if the commission provides proof of violations of Chapter 57 of the Code on two or more prior occasions by any delivery driver making a delivery of alcohol on the permit holder's behalf in the twelve months preceding the current violation, or on three or more prior occasions by any delivery driver making a delivery of alcohol on the permit holder's behalf in the twenty-four months preceding the current violation.

(f) Criminal Negligence.

(1) Regardless of whether the permit holder has directly or indirectly encouraged the delivery driver to violate Code Chapter 57, the commission or executive director may suspend a consumer delivery permit as prescribed by Code §57.08 if, after notice and hearing, a court or administrative hearing officer finds that a delivery driver made a delivery on the permit holder's behalf with criminal negligence.

(2) It is a rebuttable presumption that delivery of an alcoholic beverage to a minor or an intoxicated person was not made with criminal negligence if the delivery driver:

(A) at the time of the delivery held a valid certification from a delivery driver training program; and

(B) completed the delivery as a result of a technical malfunction of an alcohol delivery compliance software application that otherwise meets the requirements of §50.33 of this title (relating to Alcohol Delivery Compliance Software Applications).

(d) Criteria for determining retailer independence. The following criteria shall be used as a guideline in determining whether a practice or pattern of conduct places retailer independence at risk. The following criteria are not exclusive, nor does a practice need to meet all criteria in order to constitute an inducement.

(1) The practice restricts or hampers the free economic choice of a retailer to decide which products to purchase or the quantity in which to purchase them for sale to consumers.

(2) The retailer is obligated to participate in a program offered by a member of the manufacturing or wholesale tier in order to obtain that member's product.

(3) The retailer has a continuing obligation to purchase or otherwise promote the industry member's product.

(4) The retailer has a commitment not to terminate its relationship with a member of the manufacturing or wholesale tier with respect to purchase of that member's products.

(5) The practice involves a member of the manufacturing or wholesale tier in the day-to-day operations of the retailer. For example, the member controls the retailer's decisions on which brand of product to purchase, the pricing of products, or the manner in which the products will be displayed on the retailer's premises.

(6) The practice is discriminatory in that it is not offered to all retailers in the local market on the same terms without business reasons present to justify the difference in treatment.

(a) Definition. In this section, the term "software application" means an alcohol delivery compliance software application.

(b) To qualify for limitations on liability for the actions of its delivery drivers under Alcoholic Beverage Code §57.08 by using a software application, a consumer delivery permit holder must require its drivers to use a software application when delivering alcoholic beverages that meets the minimum requirements of this rule.

(c) The software application must enable the delivery driver to:

- (1) access electronically readable data from a government issued driver's license or identification card;
- (2) manually enter the birthdate of the holder of the driver's license or identification card, in the event that the information cannot be read electronically for any reason;
- (3) provide an affirmation electronically that at the time of delivery, the person accepting the alcoholic beverage delivery:

 - (B) presents a valid, unexpired government-issued driver's license or identification card; and
 - (C) is 21 years of age or older;
- (4) cancel the transaction in the event that delivery is not completed;
- (5) indicate the reason for any non-delivery of alcoholic beverage(s), which at a minimum must include the options to select:
 - (A) person receiving the delivery displayed signs of intoxication;
 - (B) person receiving the delivery failed to present a valid, unexpired government-issued driver's license or identification card demonstrating that the holder is at least 21 years of age; or
 - (C) unable to complete delivery within a reasonable amount of time after leaving the retailer's premises, which is now closed; and
- (6) record the disposition of any undelivered alcohol.

(d) Delivery address verification.

(1) The consumer delivery permit holder is responsible for ensuring the type of alcoholic beverage ordered can legally be delivered to the delivery address (wet/dry status). This may be accomplished automatically, either during the online ordering process or by the software application, or by the delivery driver, using the software application.

(2) If the consumer delivery permit holder's online ordering process or the software application automatically verifies that the type of alcoholic beverage ordered can legally be delivered to the delivery address, the software application must enable the delivery driver to affirm that the delivery address is the same address entered during the online ordering process.

(3) The mechanism or program employed to comply with this section must use, at a minimum, publicly available information provided by the commission regarding the eligibility for sale of each type of alcohol to the delivery address.

(e) In addition to all other requirements of this rule, a software application used in the delivery of alcohol to a consumer pursuant to Alcoholic Beverage Code §28.1001 must enable the delivery driver to affirm that:

- (1) the amount of distilled spirits delivered does not exceed 375 milliliters;
- (2) all alcoholic beverages are delivered in containers sealed by the manufacturer; and
- (3) food was delivered concurrently with the alcoholic beverage(s).

(f) The software application must use industry standard mechanisms to authenticate the identity of each delivery driver using the software application. At a minimum, the software application must use a generally accepted single-factor authentication method to verify the identity of the user, such as a password or biometric identification.

(g) The consumer delivery permit holder must maintain the following information for each transaction and must provide it to the commission upon request:

- (1) whether the consumer passed or failed age verification, based on either the reading of the electronically readable data from the driver's license or identification card or manual entry of the birthdate on the driver's license or identification card presented at the time of delivery;
- (2) the physical address to which the alcoholic beverage was delivered;
- (3) the specific alcoholic beverage(s) or type(s) of alcohol delivered (e.g., malt beverages, wine, and/or distilled spirits);
- (4) time stamps for when the order was received, when the delivery driver obtained the alcoholic beverages from the retailer, and when the alcoholic beverages were either delivered to the consumer or the transaction was canceled;
- (5) information related to the disposition of undelivered alcoholic beverages; and
- (6) the software application compliance features used on the date of the transaction.

(h) The information listed in subsection (g) of this section:

- (1) must be stored for at least six months; and
- (2) if the information is the subject of an ongoing commission enforcement action, must be stored in the consumer delivery permit holder's usual manner until the enforcement action is closed.

(i) Information from a government-issued driver's license or identification card accessed under this section must be maintained and used in a manner compliant with Alcoholic Beverage Code §109.61.

(j) The consumer delivery permit holder may submit its software application compliance features to the commission for review prior to rollout of the initial version, and at any time the software application compliance features are updated in a manner that may impact its compliance with the requirements of this rule. The commission will provide the permit holder with an opinion as to whether the software application compliance features meet rule requirements or need changes to come into compliance.

(k) The commission may perform periodic audits to verify compliance with this rule.
