

## How To Complete a License Search

With the roll out of AIMS and other changes made during the 86<sup>th</sup> Legislative session, all current TABC license and permit holders will receive a new license or permit number. License number, trade name, location, state, expiration date, license type and status information are all publicly available. This information can be searched at any time and you do not need an AIMS account to do so.

You can complete a license search if you:

- Are member of the public and want to search for information regarding a license. You may do this to file a complaint, file a protest, or some other reason.
- Currently hold a license or permit with TABC and need to Claim Your Business.
- Currently do business with a license or permit holder and need to update/maintain your records.

A search can be completed using a variety of parameters such as legacy license number, old (legacy) or new license number, trade name and location. How to complete a search using the legacy license number and by trade name is explained below.

1. Enter [tabc.texas.gov/aims-login](http://tabc.texas.gov/aims-login) in Google Chrome or Microsoft Edge on any device.
2. Click **Search** button.

The screenshot shows the AIMS website interface. At the top, there is a dark blue header with 'TABC - AIMS' on the left and 'Log in' on the right. Below the header, the main content area has a white background. It starts with the heading 'Welcome to the Alcohol Industry Management System'. Underneath, there is a paragraph: 'AIMS is your online hub for conducting your Texas Alcoholic Beverage Commission business anytime and anywhere.' This is followed by another paragraph: 'Log in to apply for a license, manage your licenses, register products, file reports and more.' Below this text is a blue button labeled 'AIMS LOGIN'. Underneath the button is the heading 'Public Actions'. There are three light blue boxes arranged horizontally. The first box is 'File a Complaint' with a clipboard icon and a right-pointing arrow. The second box is 'File a Protest' with a protest icon and a right-pointing arrow. The third box is 'Search' with a magnifying glass icon and a right-pointing arrow. This 'Search' box is highlighted with a red border, and a red arrow points to it from the right side of the page.
