

AIMS

ALCOHOL INDUSTRY MANAGEMENT SYSTEM

Start using AIMS now and conduct your TABC business online, anytime.

Key Features

TABC's new self-inspection tool will be ready to use September 1 for the next compliance reporting period.

Control Your Own AIMS Account

- Manage your profile.
- Update how you want to be contacted by TABC.
- Add authorized users (your employees, attorney, licensing service, etc.).

Apply for Licenses and Permits

- Get a list of exactly what you need to complete your application.
- Save your work, return to AIMS later and pick up where you left off.
- Upload supporting documents.
- Submit secure online payments.

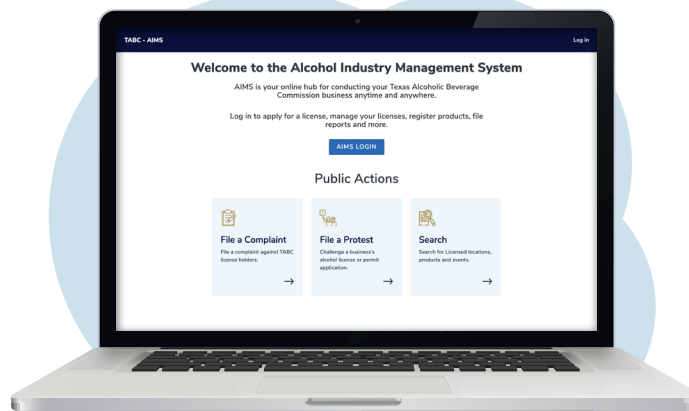

File Reports and Register Products

- View the reports you need to submit and their deadlines.
- Fill out and submit reports from wherever you are.
- File monthly excise tax reports and submit payment.
- Access past reports.
- Register new products.

Get Alerts and Status Updates

- Get real-time updates on pending applications, renewals and reports due, and more.
- Receive alerts and status updates through the AIMS dashboard or email.

Renew and Manage Licenses

- Renew licenses.
- Apply to update your business information (change of location, trade name, etc.).
- Apply for subordinates (Food and Beverage Certificate, Self-Distribution License, etc.).
