

Instructions for Completing the Alcoholic Beverage Inventory Transfer Form - AUD 111

This form is used to request approval for the transfer of alcoholic beverage inventory that is not sold in the regular course of business. This includes:

- Sale to and by lien holders
- Sale by carrier
- Sale following the cancellation, expiration, or voluntary suspension of a license or permit.

This form is used for transfers authorized under 16 TAC §§41.41–41.43.

Submission Requirements

- The completed form may be submitted by email, fax, or delivered in person to the appropriate TABC office.
- The transfer is not valid until approved by a TABC representative. Additionally, neither the seller nor the purchaser may appear on the TABC Delinquent List at the time the request is submitted or approved.
- Upon approval, a copy of the approved form must be retained by both the seller and the purchaser.

Notarization Requirements

The seller and purchaser may appear before the same notary and complete a single notarized form. If the seller and purchaser are unable to appear before the same notary, each party may complete and notarize a separate signature page. Both notarized pages must be submitted together with the inventory listing and any continuation pages.

Inventory Listing

A digital inventory listing may be submitted in lieu of the continuation inventory pages, provided it includes all information required by the AUD 111 Form.

Sale to and by Lien Holders

A lien holder who lawfully acquires alcoholic beverages and does not hold a TABC license or permit must dispose of the inventory within 30 days unless additional time is approved by TABC.

Sale by Carrier

A carrier may transfer alcoholic beverages acquired as a result of unpaid charges to an authorized licensee or permittee.

Sale after cancellation, expiration, or voluntary suspension of license or permit

A licensee or permittee may transfer remaining alcoholic beverage inventory within 30 days following cancellation, expiration, or voluntary suspension of the license or permit.

The inventory must be transferred to a licensee or permittee authorized to purchase and sell the same type of alcoholic beverages.

Single Transaction Requirement

Unless otherwise approved by TABC, all alcoholic beverages included in the request must be transferred in a single transaction.
